

Improving the quality of lives of children with Epidermolysis Bullosa

Dear Friends & Donors,

We are excited to announce the **Butterfly Bash 2026**, our annual fundraiser being held this summer on Saturday, August 29TH, 2026. **The Butterfly Bash** is a dinner and auction benefiting **The Butterfly Children Fund**, a Denver-based not-for-profit organization that supports families of children with Epidermolysis Bullosa (EB) -- a rare, genetic skin disease that causes extreme skin fragility, trauma, and blistering.

The Butterfly Children Fund continues to make a significant difference in three focus areas:

- 1) **Camp Experiences:** *Camp Spirit Colorado*, an annual winter adventure camp is held each February at the YMCA of the Rockies for EB patients 9-18 yrs. Through activities, this sleep-over camp has enabled adventure, friendship, independence and belonging – experiences that can often seem out of reach for children facing the daily challenges of EB. It also provides primary caregivers with a much-needed opportunity to rest and re-charge while their child is safe and supported.
- 2) **Financial Support:** Many families face significant expenses that are not covered by insurance. For example, we help alleviate this burden by providing financial assistance for home-care needs, bandage supplies, personal support services and travel expenses for out-of-state families and EB patients to obtain specialized care at the multidisciplinary EB Clinic at Children's Hospital Colorado.
- 3) **Research Advancement:** The groundbreaking EB research taking place at Children's Hospital Colorado and the Gates Center for Regenerative Medicine on the Colorado University Anschutz campus is advancing promising therapies such as Zevaskyn™, a gene-corrected skin cell therapy designed to address the root cause of EB. We provide critical support for specialized clinical staff and research infrastructure, helping accelerate clinical trials and bringing this innovative treatment to patients that need them most.

We know you get many donation requests, so we extend our sincerest gratitude for your time and consideration. We hope you will partner with us through a **sponsorship, donation or any silent auction items** and become part of **The Butterfly Children Fund's** mission to improve the quality of life of children with EB. Your support gets us one step closer to our goal of raising \$100,000!

Please reach out to us (see below). We look forward to hearing from you.

Sincerely,

The Butterfly Children Fund
